

PHILIPPINE MISSION 2024

SPRING FUNDRAISER

This spring, Philippine Global Missions is selling oranges, grapefruit, lemons, and walnuts. The fruit is tree ripened, juicy & sweet. They come from a family owned and operated orchard in the southern San Joaquin Valley in the heart of the orange belt. They're not picked green. These oranges will be picked a couple of days before I arrive to get them.

Pre-order now and don't miss out on this very sweet fruit.
